

BROOKLYN FIGURE SKATING CLUB of OHIO

7600 Memphis Ave.
Brooklyn, OH 44144
www.brooklynfsc.org

May 13, 2010

Dear Professional:

It's that time again to renew your Brooklyn FSC Home Club Professional membership before expiring on June 30, 2010. Any professional wishing to become a new home club Pro is welcome to do so at this time. In order to apply for membership (new or renew) or apply for teaching privileges only, please complete the enclosed forms, returning them along with your payment and a copy of your general liability insurance policy (\$1,000,000.00 minimum coverage) for the 2010-2011 season by June 14, 2010. In addition to our club forms and fees, you will need to abide by the guidelines as established by the US Figure Skating for coaches. All membership must be approved and voted on by the BFSC Board of Directors.

Your payment will cover your USFS membership as well as your home club membership. The 2010-2011 skating season will run from September 1, 2010 – May 28, 2011. A copy of next season's ice schedule will be available later this summer. However, our club sessions will remain essentially the same as this past season. Please note that the BFSC will be hosting a test session this summer on Saturday, August 7, 2010.

There is no fee for any professional who wishes solely to have teaching privileges with the Brooklyn FSC. However, the enclosed forms must still be submitted to the club along with a copy of your general liability insurance policy.

Should you have any questions, please do not hesitate to contact me at (216) 351-1878 or by email at momam91@att.net. Please feel free to visit our web site at www.brooklynfsc.org throughout the year for more information about the club and upcoming events.

Have a wonderful summer!

Sincerely,

Josephine Miranda, President
Brooklyn Figure Skating Club
